

A classical painting depicting Jesus Christ, with long brown hair and a beard, wearing a red tunic and a blue mantle, leaning over and healing a man. The man is lying down, looking up at Jesus. Other figures are visible in the background, including a woman in a yellow dress. The setting appears to be an interior with classical architecture.

A Note from our Executive Director,

DARRYL DE MARZIO, PH.D.

For fifteen years, the Portsmouth Institute's annual ***Humanitas* Summer Symposium** has been New England's premier gathering of Catholics interested in the intersection of faith and culture.

From stimulating lectures and energetic discussion sessions to beautiful liturgies, sacred art, and of course, our signature Benedictine hospitality, the *Humanitas* Summer Symposium is more than just an event: it's **a transformative experience of the truth and joy of Christ.**

Our attendees come from across the world, and feature prominent **Catholic thought leaders, professionals, clergy, religious, and students.** Parents, grandparents, and alumni of Portsmouth Abbey School and Saint Louis Priory School—two of the Portsmouth Institute's sponsoring institutions—also return each year for intellectual growth, spiritual renewal, and a chance to reconnect with friends in an environment of fellowship and joy.

As a sponsor, you make these transformative experiences possible. We are proud to connect our community with the good and important work you do for our Church and our society. Thank you for your dedicated and faithful support, and your continued prayers.

In Christ and St. Benedict,
